

## PRIPOMBE IN POHVALE:

Excellence in simplicity is not so easily achieved, but Darjo has certainly managed it to a high degree. We live in a world that is increasingly complicated, but here I have learnt that <sup>a</sup> complication is but a means to an end. Case in point: AirBnB is a perfect tool for looking for home stay accommodations. To change plans, however (stay for 1 less night after reservation starts), is not so easy on AirBnB. Hence, no need to go through them just for this.

Darjo, you have been most kind and helpful. I only regret not being able to spend more time talking with you.
