

## PRIPOMBE IN POHVALE:

Dear Daryo & family,

Thank you for all the tips, pointers and advice you gave us - we were able to fill each day to the brim with activities. Also, the well stocked kitchen was a bonus - that makes cooking (and life in general) so much easier (the way to anyone's heart is through the stomach ;))

Oh, also thanks for being patient with the fingerprint door (even if it still doesn't like me, but admits Joris on the first go)

We really enjoyed our stay - the privacy, the quiet and the awesome mountains (the last part doubly so - since Netherlands is so flat)
